

Rechargeable LED COB work light 3W+1W LED 2800mAh with powerbank

Marka: **Virone** | Symbol: **WL-5** | Ean: **5908254816208**

ViRONE

PRODUCT DESCRIPTION

A handy, work light with a built-in 1200mAh battery has been designed for both - professional and home use. It is equipped with two modern LEDs (front COB LED diode - 3W and top diode - 1W). This work light is made of durable and damage-resistant plastic. The switch placed on the front side of the housing allows you to conveniently turn it on / off or switch between light sources. In addition, the product has got a red emergency light, a movable foot with a strong magnet and a hook, which you can use to hang it anywhere and free your hands. Additionally, this product has got a powerbank function and allows you to charge other devices.

TECHNICAL DATA

General information:

Type of power supply:	Battery
Nominal voltage:	Li-Po
Battery included:	Yes
Rechargeable:	Yes
Battery capacity:	2800 mAh
Light source:	LED light integrated
Rated power:	3W - front LED 1W - upper diode 0.2W - emergency lighting
Colour rendering index CRI:	>70
Luminous flux:	160 lm
Beam angle:	120 °
Number of on / off cycles:	>50000
Durability L70/B50:	50000 h
Colour temperature:	7000K
Ambient temperature range to which the product may be exposed:	-10~50 °C
Degree of protection (IP):	44
Ports:	Micro usb charging input
Colour:	Black and red
Dimensions - width:	45 mm
Dimensions - height:	215 mm
Dimensions - depth:	35 mm
Weight:	110 g
Material housing:	Plastic; ABS
Other features:	lighting time - front LED 7h; upper LED 11h 5VDC 1A power bank function the set includes 5VDC 1A micro USB charger, car charger
Place of application:	Inside and out
