# PRODUCT CARD

## Flush-mounted furniture Schuko socket with flat milled edge, anti-dust brush, USB charger and 1.5m cable, 2x2P+E, 2xUSB, 2xNET, black

A set of two mains sockets with Schuko grounding and safety shutters, combined with 2 USB charging ports and 2 network sockets, all built in a housing that can be flush-mounted in the table top. The device is designed for installation in desks, countertops and tables. The closed housing of the sockets has an improved design, and the slot is finished with an anti-dust brush that prevents any particles from getting inside the device. Such a set will work perfectly in offices, conference rooms, as well as in a student's room. The cable is 1.5 m long.

**Model:**
Built-in

**Max. load:**
3600W

**Standard of the socket:**
schuko (type F)

**Colour:**
Black
