Item number: 1453567

# Spotlight Mc Shine ,,ST-59"

# for track system, GU10, ØxL 55x97 mm, white

### **DISPOSAL INSTRUCTIONS**

By separating materials, recycling and disposing of old equipment in this way, you are making an important contribution to protecting our environment. Packaging can be returned to appropriate collection points for free.

According to the European WEEE Directive, electrical and electronic WEEE Directive, electrical and electronic equipment must not be disposed of with household waste. Their components must be recycled or disposed of separately, because toxic and hazardous components can cause lasting damage to health and the environment if disposed of improperly.

As a consumer, you are obliged under the Electrical and Electronic Equipment Act (ElektroG) to return electrical and electronic equipment free of charge at the end of its service life to the manufacturer, the point of sale or to public collection points set up for this purpose.

Details are regulated by the respective state law. The symbol of the wheeled garbage can on the product, the operating instructions and/or the packaging refers to these regulations.

### **SAFETY INSTRUCTIONS**

- Before putting the device into operation, check for damages. If this is the case, please do not operate the device.
- Note that any technical modifications to the device will immediately void its approval!
- Keep the user manual for the device.
- Avoid looking directly into the light source to prevent eye injury.
- Do not drop the device; it could be damaged upon impact with a hard surface.
- Avoid installing the device in locations with significant temperature differences or high humidity.
- Do not leave the packaging materials lying around; plastic films/bags, Styrofoam parts, etc., could become dangerous toys for children.
- Keep the device out of the reach of children; it is not a toy!
