Instruction manual

LED socket light

einlicht „Punkt“

4 W, 280 lm, step-dimmable, warmwhite

EN

DISPOSAL INSTRUCTIONS

By separating materials, recycling and disposing of old equipment in this way, you are making an important contribution to protecting our environment. Packaging can be returned to appropriate collection points for free.

WEEE disposal note

According to the European WEEE Directive, electrical and electronic WEEE Directive, electrical and electronic equipment must not be disposed of with household waste. Their components must be recycled or disposed of separately, because toxic and hazardous components can cause lasting damage to health and the environment if disposed of improperly.

As a consumer, you are obliged under the Electrical and Electronic Equipment Act (ElektroG) to return electrical and electronic equipment free of charge at the end of its service life to the manufacturer, the point of sale or to public collection points set up for this purpose.

Details are regulated by the respective state law.

The symbol of the wheeled garbage can on the product, the operating instructions and/or the packaging refers to these regulations.

TECHNICAL DATA

Operating voltage:	230 V
Light color:	warmwhite
Color temperature:	3000 K
Absorbed power:	4 W
Lifetime:	30000 h
Illumination technology:	LED
Outer diameter:	25 mm
Height:	475 mm
Energy efficiency class:	G
Dimmable:	3 step dimming
Swiveling	flexible swiveling through gooseneck

MOUNTING INSTRUCTIONS

For connection, plug the socket light into the socket.

Bend the gooseneck to the desired position.

The lamp is switched on by pressing the power switch on the lamp base.

By touching the symbol, you can dim the lamp to different levels in different steps. The dimmer switches between 100%, 70% and 30% brightness.

To switch off the light, briefly press and hold the power switch.

When disconnected from the mains and when switched off, it remembers the last brightness level set.

As soon as the power supply is restored, the lamp lights up at the last brightness level set.

OPERATION

- Tap once to switch on.
- tap again to dim, 3 levels in total
- long tap to switch off, the light saves the last brightness setting
